

Bundesministerium  
für Wirtschaft  
und Energie

# Indo-German Energy Forum

Information Event “Self-consumption of solar power  
(PV & CSP) and bioenergy for the Industry”  
10 February 2020

Dr Nicole Glanemann

Deputy Head of Division IIA2 – bilateral cooperation  
on energy policy, Federal Ministry for Economic  
Affairs and Energy

# Partnerships and Dialogues on Energy by the Federal Ministry for Economic Affairs and Energy

## ■ Energy partnerships

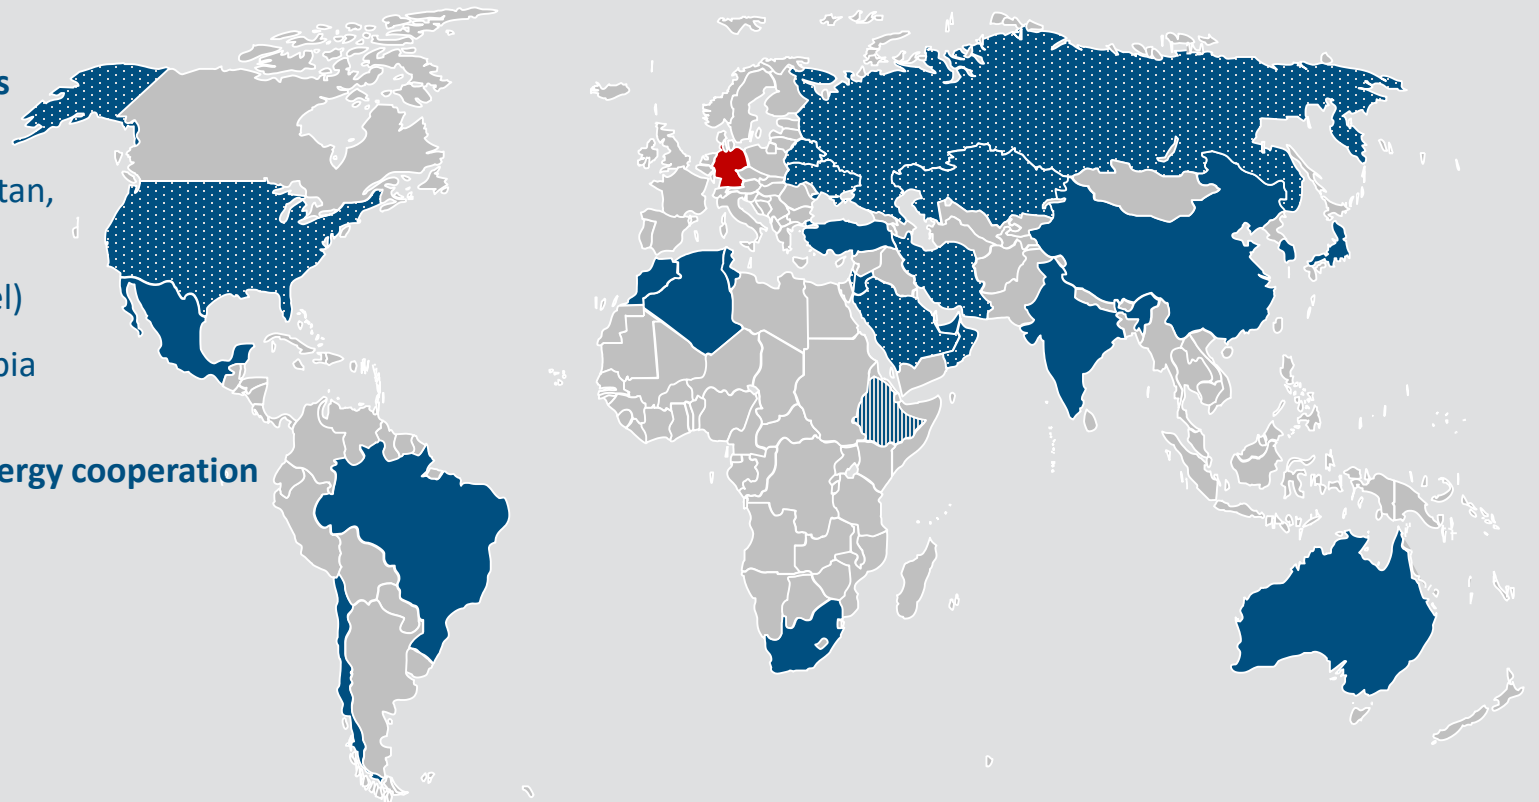

- China, India, Japan, South Korea
- Turkey
- Morocco, Algeria, Tunisia, Jordan
- UAE
- South Africa
- Brazil, Chile, Mexico
- Australia

## ■ Energy dialogues

- Russia, Ukraine, Belarus, Kazakhstan, Iran, Israel
- USA (at state level)
- Oman, Saudi Arabia

## ▨ Project based energy cooperation

- Ethiopia

# Strategic objectives of the energy partnerships and dialogues

## Establishment and maintenance of privileged relations to

- foster the global energy transition (combating climate change, competitiveness)
- promote foreign trade and investment (specific pilot projects)
- safeguard energy security of Germany
- Germany to learn from other countries
- respond to the political interest in partnerships

## Support services for German firms in the partner country

### Business to Government Dialogue (B2G)

- Local business advisory councils
- Roundtables on specific issues
- Participation and input from German firms in working groups

### Political backing for projects

- Access and contact to decision-makers at various policy levels
- Individual advice on implementation and support
- Raising the partner's awareness of the energy project

### Current information about the energy sector

- IGEF Newsletter
- Information and discussion events

### Advice for national policy-makers

- Advice in the form of studies, workshops, study tours
- Work on challenges and issues which are identified in, for example, B2G committees

Bundesministerium für Wirtschaft und Energie

Indo-German Energy Forum

# Structure

## Indo-German Energy Forum

Annual meetings at State Secretary level

### Subworking group meetings

Meetings of representatives of government, business associations, commerce and research institutes

SG 1

Flexibilisation of existing power plants

SG 2

Renewable energy

SG 3

Energy efficiency

SG 4

Systems integration of renewable energies

**giz**  
**KfW**

IGEF Support Office in Berlin and New Delhi

Publications

Task Forces

Study tours

Workshops

Studies

Financial / Technical Cooperation

Energy Symposium

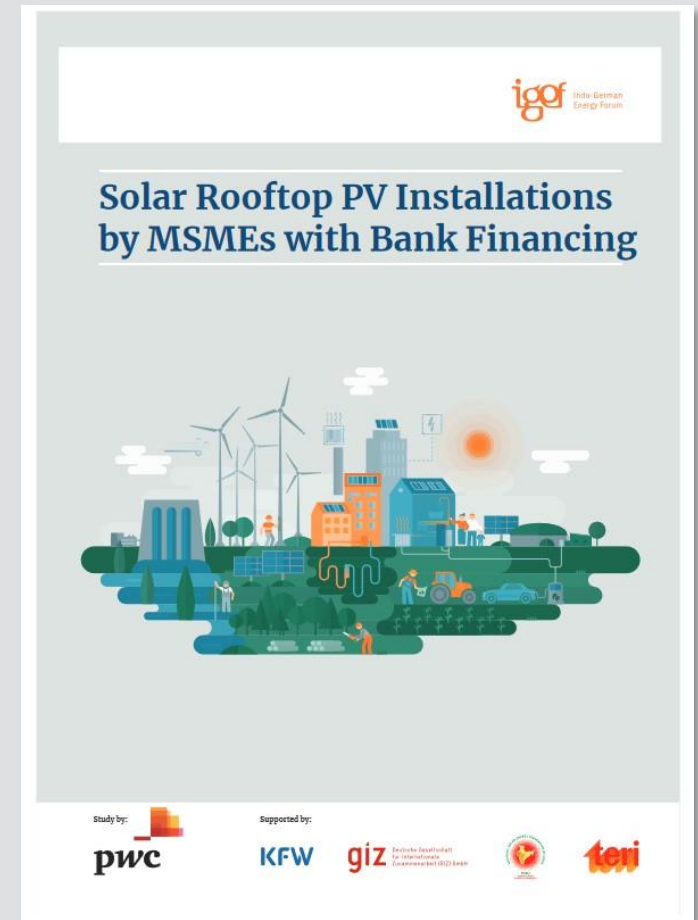

Bundesministerium  
für Wirtschaft  
und Energie

## Subgroup on “Renewable Energies”

### Example: Self Consumption of Solar Energy for Industry

- **Study on PV for Industrial and Commercial buildings**
  - Financial viability of existing plants
  - Promising financing models ([download](#))
- **Promotion of direct marketing of industrial power through the Energy Access scheme**
- **Developing national quality standards for O&M of photovoltaic plants**
- **German and Indian companies invited to participate in current activities and to suggest new topics**

Bundesministerium  
für Wirtschaft  
und Energie

Indo-German  
Energy Forum

## 5th Intergovernmental Consultations

Both heads of government  
stressed the importance of the  
Indo-German Energy Forum

Bundesministerium  
für Wirtschaft  
und Energie

Indo-German  
Energy Forum

## IGEF B2G business advisory council companies and associations take part in IGEF business advisory councils and B2G round tables

für Wirtschaft  
und Energie

Indo-German  
Energy Forum

## Involvement of German companies in B2G activities at trade fairs

23. - 25.09.2020 Renewable Energy India with German Pavilion

# Renewable Energy India

India Expo Centre, New Delhi

[www.renewableenergyindiaexpo.com](http://www.renewableenergyindiaexpo.com)

Total exhibitors: 700+ from 40 countries; 16,000 m<sup>2</sup>

Visitors: 30,000+

German exhibitors: 24+

Bundesministerium  
für Wirtschaft  
und Energie

Indo-German  
Energy Forum

## Involvement of German companies in B2G activities at conferences

14. - 17.10.2020 RE-Invest with German Pavilion and General Assembly of International Solar Alliance (ISA)

**3rd GLOBAL RE-INVEST**

**INDIA - *isa* PARTNERSHIP**

**RENEWABLE ENERGY INVESTORS' MEET & EXPO**

14 - 17 OCTOBER 2020 • NEW DELHI, INDIA

**N E W I N D I A • N E W E N E R G Y**

New Delhi, India

[www-re-invest.in](http://www-re-invest.in)

2018 20,000+ participants, 115 countries, 220 speakers

14 Oct – Opening ceremony

15 - 17 Oct Conference and Expo

15 Oct – ISA General Assembly
