

German Training Week (GTW) – Energy Efficiency

Participation Expression of Interest

The number of participants in the GTW – Energy Efficiency will be limited to maximize the learning experience. We are looking for applicants with the following attributes:

- Existing knowledge of energy efficiency fundamentals with relevant professional experience
- A completed technical or electro-technical vocational training
- Interest in developing (or preferably already currently actively developing) energy efficiency projects
- Computer skills in MS Excel and Word

If your profile fits the above and you have interest in attending the GTW – Energy Efficiency, we would ask you to complete the attached form. If your application has been chosen, you will be sent an official confirmation letter to attend the course.

Application form
