

From Ambition to Action!
Best practices in German-African cooperation

Official Side Event of the Berlin Energy Transition Dialogue 2022

28th March 2022

10:00 am MET

Showcasing flagship projects in Africa implemented with climate-friendly energy solutions made in Germany, our side event is an ideal opportunity to gain in-depth knowledge about different aspects of the energy transition, as well as for sharing views and experiences.

Meeting-ID: 838 6996 8227

Code: 455373

Agenda

10:00 am MET Host: Zackes Brustik	Welcome!
The African Market – Challenges and benefits of implementing projects	
10:10 – 10:25	Project Development Programme of the German Energy Solutions Initiative <i>implemented by GIZ</i> <i>Dr. Valérie Bischof, Advisor</i>
Project South Africa – Photovoltaic Training in Africa	
10:25 – 10:50	GREEN Academy <i>GREEN Solar Academy has a vision to create Africa's largest network of solar installers, to become Africa's premier training institute for solar power, to make renewable energy accessible for all, and to upskill and create employment for our youth in the solar industry.</i> Antje Klauss-Vorreiter, Managing Director
10:50 – 11:00	Q&A
Project Tanzania – Solar water treatment	
11:00 – 11:15	Boreal Light GmbH <i>Berlin based company specialized on renewable energy solution for water treatment facilities. The company designs and manufactures affordable solar water desalination systems for off-grid communities around the globe</i> Hamed Beheshti, Chief Executive Officer, Member of the Board
11:15 – 11:20	Q&A
Project Zambia – DC-Microgrid technology	

Partner

11:20 – 11:35	<p>SolarworX <i>Founded in Berlin in 2017. The company develops modular solar home systems that also interconnect to form smart DC micro-grids. Focused on rural areas across Africa the goal is to lower barriers to clean energy access.</i> Alexander Hoffmann, Chief Operating Officer</p>
11:35 – 11:40	<p>Q&A</p>
<p>Project Senegal – Providing access to basic services through renewable energies in rural areas</p>	
11:40 – 11:55	<p>Africa GreenTec AG <i>Africa GreenTec develops, builds, supplies and operates mobile, scalable solar containers for the power supply of villages in rural Africa</i> Katharina Oemmelen & Malte Felshart, Senior Managers <i>International Business Development</i></p>
11:55 – 12:00	<p>Q&A</p>

Any questions?
